Wear Your GAA Shirt to Work Friday, September 1, 2017

To show support for Labor, GAA is asking all members to wear their GAA shirt to work the Friday before Labor Day, September 1, 2017, provided your Department's dress code policy allows you to do so. Let's show management our strength and unity as we gear up for negotiations to improve wages and working conditions with our employers including Wayne County, the Detroit Wayne Mental Health Authority, the Wayne County Probate Court, the Third Judicial Circuit of Michigan, the 36th District Court, the Wayne County Airport Authority and Correct Care Solutions.

If you have not yet purchased a GAA shirt, shirts are still available at the GAA office for \$30.00. Please email gaawayne@comcast.net, fax 313-224-0064, or call 313-224-5076 with the following information and we will arrange to get a shirt to you.
